## EXPERIENCE

### **Learn Anything** Founder

January 2017–Now

Learn Anything is an Open Source website lets users search Interactive Maps to Learn Anything.

The Website can be seen live at [learn-anything.xyz](https://learn-anything.xyz). It received great feedback and is growing every day and the main GitHub repository has over 10,000 stars and growing.

---

## EDUCATION

### **University of Eindhoven** Computer Science (B.A.)

2016–now 2018 July

---

## OPEN SOURCE

### **Alfred Learn Anything**

2018–now
